

Notes from Dr. Greco
October 1, 2009

The October calendar goes home today. The calendar that goes home each month from school contains any revisions and is the most up to date. Please keep it handy for your reference in case there is a discrepancy in the parish calendar. Thank you!

As the weather turns cooler, please remember that our students go outside every day for lunch recess. Please make sure that they are dressed for the weather.

As mentioned in previous Notes, if you would like accurate information regarding the H1N1 virus please use the Montgomery County Health Department's website: www.health.montcopa.org with a link to H1N1inPa.com

The National Junior Honor Society will be assisting the parish for Our Lady's House Baby Bottle Fundraiser. A baby bottle will be in each homeroom to help collect funds for the cost of running Our Lady's House. Our students are familiar with this outreach program and many students were inspired to base their Respect Life essays last year on what they learned about this temporary shelter for homeless mothers and children.

Fundraising reminders:

Our KidStuff Book sale ends tomorrow, Friday, October 2 and our goal is the sale of 200 books. Students will have a free tag day if we meet our goal and remember that if you sell 5 books, you earn a free book. **Please return any unsold books as soon as possible in order for us to fill the requests for multiple copies. We appreciate your support. It makes a difference for our students!**

IMPORTANT!! All Emergency and Home & School Forms need to be returned. This includes the Emergency Form, NDS Allergy Permission Form, Nurse's Medical Card, and the Volunteer Time & Talent form.

Grade 6 students will not have school the day of Confirmation (Tuesday, October 20th) and will be permitted to arrive late (by 10:00am) on Wednesday morning.

On KYW News Radio website, you can register for the annual Comcast Laptop Daily Double and it could mean a new laptop for you. If you would be so kind as to name us as your "school," we, too, will have a chance to win new lab computers.
